Who frequently cares for your child?	
others, siblings, half-siblings, step siblin	nber names or nicknames, ages, significant gs, pets)?
•	onsibility, please attach related documents (i.e

Under the laws of the state of Vermont, both parents may have the right to pick up their child unless a court document restricts that right. The enrolling parent who chooses not to include the other parent's name on the

authorized list for pick-up must file an official court document such as the following: current restraining order, sole-custody decree, divorce decree stating sole custody, judgment of adoption, foster parent documentation. The parent must provide the program with updated legal documents when any changes occur.

The following questions are aimed at helping educators better understand your family culture and values, so that we can uplift and support your child's individuality at school.

How would you describe your caregiving or parenting style? (circle one)

Strict Mostly Strict In the middle Mostly Flexible Flexible

ow do you identify your family's race, ethnicity or ancestry, religion, and langu	ıage
hat holidays or other special days do you value, celebrate, or observe?

Hospital Preference:	
Please list any allergies your child has and what might an allergion hives, difficulty breathing):	-
Please explain your child's chronic or acute medical conditions, a existing serious illness:	
Please list any prescribed and over-the-counter medications you	r child takes regularly*:

Please attach necessary documents:

- Copy of child's annual well-care examination
- Evidence of immunization appropriate to your child's age

OR

- An immunization exemption form due to medical, religious, or moral beliefs.

^{*}If applicable, educators will work with families to document an appropriate medical action plan for children with allergies or existing medical conditions. If you would like us to administer medication to your child while he/she is in our care, please fill out a permission form at school. All medication must be clearly labeled with the child's name and dosage instructions and given directly to the lead educator by an adult. The medication must have an appropriate administration and measuring device.
